4th Annual Meet The Contractor Evening Night to be Set in March

We invite our local college HVAC students that will be graduating this Spring to attend an evening to meet with our members looking for job opportunities in our industry. These students have spent a lot of money and time in learning the basics of our trade and now it is time to get out into the field.

Each contractor will have time to interview with the students on a one to one basis. There will be students attending from Warren County Career Center, Gateway Community College, Butler Tech, Fortis College and The Oaks.

Last year we had several students hired by our members. Watch the newsletter for the date and time to be set. If you have questions, feel free to contact Barb Burg w/Anderson Automatic.
