5th Annual Meet The Contractor Evening Night to be Set in March

We invite our local college HVAC students that will be graduating this Spring to attend an evening to meet with our members looking for job opportunities in our industry. These students have spent a lot of money and time in learning the basics of our trade and now it is time to get out into the field.

Each contractor will have time to interview with the students on a one to one basis. There will be students attending from Warren County Career Center, Gateway Community College, Butler Tech, Fortis College and The Oaks.

Watch the newsletter for the date and time to be set. If you have questions, feel free to contact Barb Burg w/ Anderson Automatic.

Always looking for Potential members . . .

If you have a contractor in mind, please invite them to a membership meeting just let Joyce know. Cost of Membership Meeting will be picked up by ACC Greater Cincinnati. Talking with the other attendees about issues in the industry may surprise them. They might find the answer they were looking for!

**Membership Meetings
Topics / Ideas**

Since our attendance at Membership Meetings has declined except for the Annual Inspectors Meeting, the committee would like your input! What would you like to hear about? Do you as an Associate Member have a new product or idea? Roundtable?? Feel free to e-mail or call your idea into the office.
