Looking for new Committee members . . .

Please take the time to think about how you can give back to your industry and actively participate in ACC Greater Cincinnati in 2017.

FEED THE TOWN - November 25th - December 31st.

Last year we collected as an Association 792 lbs of food and \$50 cash. We would like to help the Free Store / Food Bank again this year. Most companies ask their techs to ask for a donation while out on a service call and others also have their dispatchers letting customers know that they are collecting food or give a discount for a food donation. After the Holiday season the Free store/Foodbank's shelves get very bare. This is why we collect during the holiday season, so that we can help replenish after the Holiday season. This food helps supply the food pantries in the Greater Cincinnati area. Even if you don't want your tech's asking for a donation, feel free to collect within your company. Every donation counts!!

All food collected needs to be brought to the association office on January 6th & 7th and it will be taken to the FreeStore / Food Bank on the 8th.

Thank You in advance for participating in this very worthy program!!
