OCILB HVAC/R Section Board Cheryl Roahrig (Columbus, Mechanical Inspection Supervisor) is retiring as of Nov 30. Ms. Roahrig is a member of the HVAC/R Section Board and Mike Roush (Columbus, Mechanical Field Inspection Supervisor) has been recommended as her replacement. ACCO is supporting the recommendation and has sent a letter of support to the Dept. of Commerce.

Residential Licensing In October, we held a productive meeting regarding residential licensing. In addition to the Specialty Contractors present, Direct Energy, the Ohio Home Builders and OCILB, were present. No agreements were reached, but the meeting was productive by the fact that discussion took place and Direct Energy will present us with language (regarding independent subcontractors) for our review and consideration.

Best wishes to you and your family during this holiday season. May the message of Christmas fill your life with joy & peace.
