ACCGC
AIR CONDITIONING CONTRACTORS
— OF GREATER CINCINNATI —

For the sixth time ACCGC is hosting a **Meet The Contractors** Evening.

We have invited our local college HVAC students that will be graduating soon to attend an evening to meet with our members looking for job opportunities in our industry. These students have spent a lot of money and time in learning the basics of our trade and now it is time to get out into the field.

This event is scheduled for Wednesday, March 20, 2019 from 6:00pm to 9:00pm at our office in Forest Park.

Each contractor will have time to interview with the students on a one to one basis. The career centers that will be sending students are from Warren County Career Center, Gateway Community College, Butler Tech, Fortis College and The Oaks. To help get more of the schools involved this year, our board has personally visited each school and handed out our flyer to the students.

Please let Barb Burg know if your company is interested in attending by Friday
