SEVEN MINUTE SAFETY TRAINER from Federated Insurance

The Seven Minute Safety Trainer powered by BLR ® allows user friendly access to more than 350 safety meeting topics anytime and anywhere as an easy to use mobile application. Federated Insurance is excited to announce this complimentary new service that will provide our contractor clients with effective and efficient employee safety training resources.

Whether using a desktop or a mobile device, controlling your company's risk management culture is made easier by design to give you more convenience when holding your safety training meetings at the business or paper-free right at the job site. The Seven Minute Safety Trainer also allows you the flexibility to manage the training topics while recording the meeting topics and attendees. Besides helping saving you time and money, it can also assist you to meet OSHA's requirements.

Injuries hurt your business, your employees, and their families. Federated clients interested in providing industry-leading safety training can access the Seven Minute Safety Trainer administration site by logging in to Federated's Shield Network ® . Or, they may call our Risk Management Resource Center for assistance at (800)333-4949.

For more information, contact your local Federated Insurance representative, or visit www.federatedinsurance.com. ◇

Benefit of the Month / Advocacy

This is probably one of the most important benefits you may never even know is taking place. ACCO is constantly reviewing, attending and submitting requests, recommendations and legal opinions to ensure the most advantageous climate and policies for our members. We interact with state elected officials and government agencies almost daily as well as keeping ahead of issues that will affect you.
