Looking toward 2017 . .

The Board of Directors has started their **search for New Board Members** for 2017. There are **3 Contractor and 1 Associate Advisor** position to be filled. It only requires 1 meeting (approx. 2 hours) a month. Quote of the month:

“Whenever an individual or a business decides that success has been attained, progress stops.”
- **Thomas J Watson**

HEAT THE COUNTRY

Sign-up sheets for ACCGC’s Heat the Country will be mailed/e-mailed as soon as a date is confirmed. **Please watch dates to return your volunteer forms.** Holding it on a Friday morning seems to be a great success. ACCA GC is asking each of its **CONTRACTOR members to volunteer one truck with technician AND each ASSOCIATE member to volunteer one or two non-technical personnel** to help us with this task. Doing this community service on a Friday gives us better publicity on the news. The event will only be for a few hours on that Friday morning and its better for both the volunteers and the homeowners that we will be servicing.

THANKS FOR YOUR SUPPORT OF YOUR INDUSTRY AND ACC Greater Cincinnati!

2016 ACC Greater Cincinnati Golf Outing . . .

Thank you to all those who attended and bought split the pot tickets at the Golf Outing. ACC Greater Cincinnati raised **\$290** to be donated to the **ACCO Scholarship Fund.** See next page for Sponsors and Winners

DUES BILLING . . . Please remember that you will get an invoice from ACCA National for NATIONAL ONLY DUES!!

You will also receive an invoice from ACC Greater Cincinnati for State and Local Dues. Invoice will be sent in November, payable by 12/31 each year. Remember that if you use ACCO Benefits, you must belong to ACCO!!

Please make sure your Account Payable Department watches what address they are sending payments to since we had several send payments to National and they had to call National to get their money back. National does not forward the dues to the Local!

The World According to Mike Weil: Membership Matters — **Why Trade Organizations Rock** *Contractors can learn a lot from their peers and industry experts.* Benjamin Franklin once stated that an investment in knowledge pays the best interest.
