CMPA Training Facility
11020 Southland Rd, Cincinnati OH 45240

***"Complacency and Procrastination -
A Main Cause of Stress in Contracting Business"***

Speaker: **Frank Besednjak**, *The Training Source*

Complacency and procrastination interferes with your work and life, causing missed opportunities, damaging relationships and contributes to constant stress, anxiety and guilt. So, why do we do it? One reason may be that procrastination and complacency has its short-term benefits; yet, it also has the effect of limiting business growth and competitiveness. In this workshop, Frank will discuss the types of procrastinators and the reasons for complacency. He will also provide methods and tools to deal with this habit and patterns.

Please make reservations for the membership meeting no later than Friday, September 7th

 ACC Greater Cincinnati will invoice for State and Local Dues. Invoice will be sent in November, payable by 12/31 each year. Remember that if you use ACCO Benefits, you must belong to ACCO!!
Please make sure your Account Payable Department watches what address they are sending payments to since we had several send payments go to National and they had to call National to get their money back. National does not forward the dues to the Local!
