POLICY CONCERNING HEALTH INSURANCE COMPANIES

Effective January 1, 2001, John T. Niehaus, LISW, is no longer on Provider Panels, including Medicare and Medicaid. Most insurance companies provide "out of network" benefits which are obtained by the patient's filing his/her own claim. This allows the patient to receive benefits for my services, usually at a lower level of reimbursement. All patients are provided with my monthly invoice which contains all of the necessary, pertinent information needed to submit a claim.

I will be pleased to discuss this policy further should a patient have questions or need more information and/or clarification.
